When You Think Of Selling Your Collection

FOR SPOT CASH OR AT AUCTION . . .

I invite you to write me for my terms and methods of sale. This will be furnished you without cost or obligation. It is well for you to remember that I have devoted my entire time to the Numismatic Profession for the past twelve years and was a part-time dealer and collector prior to that time. When you place your collection with me, you are assured of the security of your coins and the fulfillment of our agreement to the letter. My financial responsibility, as evidenced by the rating given by Dun & Bradstreet, Inc., is ample proof of this statement. (My bank reference is the Winters National Bank & Trust Company, Dayton, Ohio). My honesty and integrity with the collector is a matter of record of which I am very proud. You should, by all means, give these facts your careful consideration.

NEXT SALE

JANUARY 28th — 29th — 1949

Material Must Be Received By November 15, 1948

If you prefer to sell your collection for immediate cash, I am in a position, due to my extensive clientele, so that I can afford to and do pay more for collections than any other market.

Write me when interested. No collection is too large, and certainly none too small, to receive prompt and courteous attention.

Will call for personal interviews anywhere in the world if transaction warrants.

Deadline for Consignments — Nov. 15, 1948

This will be my first regular Sale of 1949. I will conduct five regular Sales during the year and **SPECIAL SALES** if and when the occasion warrants. Regular Sales will be held in January, April, June, September and November. These are the most active periods and the best results may be expected.

I issue the largest number of catalogues of any regular, active dealer—over 5,000 active collectors on my mailing list.

If you desire to sell your collection, or part of it at auction, I can obtain for you the best results possible. Results and not promises are what count.

You are guaranteed security by my financial rating: Dun & Bradstreet; Winters National Bank & Trust Company of Dayton, Ohio. Also, accurate grading, fair to both buyer and seller.

I am fully qualified to handle not only U. S. but foreign and ancient as well. Have a large buying clientele in Europe and South America.

CORRESPONDENCE INVITED

JAMES KELLY

"Service is the rent we pay for our room on earth. We have been too much inclined to let our thoughts rest upon what we judge our rights without giving equal weight to the recognition of our duties. There is no room in the modern world for easy indifference to the world's needs. We are all our brother's keeper.
